Interaction design student

I am currently in third year of Interaction Design Bachelor's Degree program at L'École de design Nantes Atlantiques, located in France. I'm looking for a **4 to 6 month internship in UI/Product design** starting from September 2017.

## Education

**2015 - 2017**

Nantes, France

**Bachelor's Degree in Interaction Design**

at L'École de design Nantes Atlantiques

Based on Interaction Design, learned how to design interfaces and how to create prototypes. 3D, Mapping video, graphic design classes

**2014 - 2015**

Nantes, France

**Foundation year**

at L'École de design Nantes Atlantiques

Studied design methodology, opened creativity. Learned the different design professions

**2011- 2014**

Nantes, France

**Baccalauréat STI2D**

at Lycée Eugène Livet

Learned programming and electronics

## Work experience

**2016**

Nantes, France

**UX / UI Design Intern**

at Troopers for 2 months

I was in charge of designing the information website of cms "Victoire" created by the agency Troopers

## Skills

**Sketch** : very good knowledge
